SAN ANTONIO RESIDENTIAL CARE HOMES

A photograph showing an elderly man with glasses and a blue shirt laughing joyfully. An elderly woman with short white hair, wearing a green top, is leaning in from the right, kissing him on the cheek. They are in a bright, indoor setting with a window in the background.

About S.A.R.C.H.

San Antonio Residential Care Homes (SARCH) is an organization of residential, personal care, MHMR, Adult Foster Care and assisted living in partnership with local businesses interested in the health and well being of the elderly and disabled persons. SARCH is committed to promoting an environment favorable to the well-being of our clients.

Most homes/facilities provide housing, meals, laundry, medication supervision and help with activities of daily living.

This is an ideal situation for some family-oriented individuals who cannot live independently, but do not require institutional care.

Meetings are held monthly and we welcome visitors to attend!

Facility Types

Type A - In a Type A facility a resident must be physically and mentally capable of evacuating the facility unassisted.

This may include the mobile non-ambulatory persons such as those who are in wheelchairs or electric carts and have the capacity to transfer and evacuate themselves in an emergency. This resident does not require routine attendance during nighttime sleeping hours and must be capable of following directions under emergency conditions.

Type B - In a Type B facility a resident may require staff assistance to evacuate and may be incapable of following directions under emergency conditions. They may require attendance during nighttime sleeping hours. The resident may not be permanently bedfast, but may require assistance in transferring to and from a wheelchair.

Type C- Type C facility is a four-bed facility which meets the minimum standards and program rules for enrollment with the Department of Aging and Disability Services as an adult foster care facility.

Type Three and Under - Residential/personal care home that furnishes food and shelter to no more than three (3) persons who are unrelated to the proprietor of the establishment; and provides personal care services. Multiple homes, regardless of number of residents, requires licensing.
